

CINEMA SILENCER HOUSING

P-SBOX14N1 ORDER CODE: 100014114, **P-SBOX14N2** ORDER CODE: 100014114

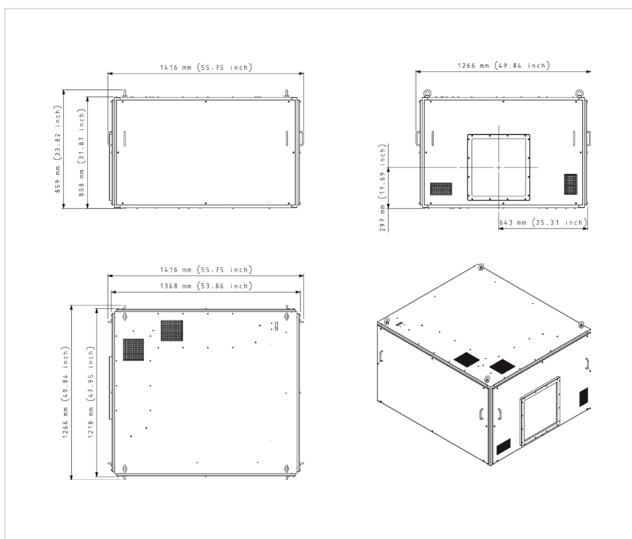

Silencer Housing

Silencer Housing for NC900C and NC1100C installation directly into cinema auditorium.

NEC Silencer Housing enables installation of silent NC900C cinema projector or NC1100L Laser cinema projector directly into cinema auditorium without any need for a projection booth. Even no air duct is required for this solution. This cost saving installation allows the cinema exhibitor to increase the number of seats in the auditorium, in place of a previously required projection booth. A big step in the future cinema experience.

TECHNICAL DRAWINGS

NC900C installed

TECHNICAL SPECIFICATIONS

CONFIGURATION	
Dimension	1370 x 1220 x 800 mm
